

Uppity Medieval Women
Prof. Anita Obermeier
English 451/551 R 4:6:30 S2021

Can you identify either of these medieval women?
If not, you will meet them in this course.

To the left, Christine de Pizan, the first professional
woman writer of Europe.

In the middle, the fictional Wife of Bath, famous for her
sexual appetite and five marriages.

To the right, Joan of Arc, who led armies at age 19.
